

## You've got enough on your plate.

**V&A Risk Services** knows how many different responsibilities fall on today's Ohio HR professionals. From workers' compensation to employee benefits to the company summer picnic and beyond.

Let V&A take on the workers' compensation role for you. We establish long-lasting relationships with our clients; they can trust that we are going to be there for them when the big claim comes.

In our 40 year history we have an unprecedented continuity - unheard of in the TPA industry. All working to serve you with the best partnership so you can fulfill all your other obligations!

***How can we serve you?***

**We're here for you.**

## Our Service Ideology: **Responsiveness, Customization, and Relationship Continuity**

Our staff possesses, on average, over 17 years of industry experience in managing workers' compensation claims and policies. It is this experience and continuity that creates effective client relationships, which promotes an integrated team approach to claims management. Our claims professionals are invested in their client's programs, and this investment creates positive returns.
